11. The Institute has the right to publish submitted content (or parts thereof) in print or digitally on its platforms, with due acknowledgment to the author. TFGI may also edit the content for publication and use excerpts in promotional materials without further notice to the participant.

Disclaimer Statement

12. Under no circumstances will the Institute and its partners be held responsible or liable in any way for any claims, damages, losses, expenses, injury, costs or liabilities whatsoever (including, without limitation, any direct or indirect damages for loss of profits, business interruption or loss of information) resulting or arising directly or indirectly from your participation or inability to participate as an Insights contributor, or from your reliance on the information and material in these submission instructions or from the Tech For Good Institute's website, even if the Institute has been advised of the possibility of such damages in advance.
13. The Institute reserves the right to amend, vary or modify these instructions and terms at any time, without giving prior notice to Insight contributors. Such amendments shall be effective immediately upon inclusion/publication of such amendments on these submission instructions or the Tech For Good Institute's website.

Honorarium
